

SPONSORSHIP OPPORTUNITY

Dear Wildlife Supporter,

On **Saturday, August 20, 2022**, the Wildlife Clinic of Rhode Island will be holding the **Wildlife Clinic Charity Golf Tournament** at Cranston Country Club, 69 Burlingame Road, Cranston, RI. All proceeds from this event will help offset the cost of care and medical support for the approximately 5000 wild patients we receive each year for lifesaving care.

The Wildlife Clinic has provided direct care to injured and orphaned wildlife of Rhode Island as a non-profit 501(c)(3) organization since 1993. We are the only wildlife organization within the state of Rhode Island licensed by DEM and USFW, to provide direct care to all species.

Although we are licensed and regulated by the state and federal government, they provide no funding for our work. Proceeds from events such as this golf tournament allow us to buy food supplies and formulas for all birds and mammals, syringes, feeding nipples for baby mammals, carriers, medications and medical supplies, as well as surgical supplies and x-rays needed to care for the injured or orphaned wildlife we receive. Tens of thousands of wild mammals and birds have been returned to their natural habitat as a result of our licensed rehabilitators and volunteers.

Corporate sponsorships are greatly welcomed and are tax-deductible to the full extent of the law. Your support and generosity will help us continue the work of raising Rhode Island's orphaned wild babies and assisting all of Rhode Island's distressed wildlife year round.

Thank you for your support!

Sincerely,

Kristin V. Fletcher
